IV. Discussion Items

- A. **Discussion Item 1:** 2018-2019 Data Review Activity: The GO Team was charged with the task of examining the School Strategic Plan and supporting data from a five-year timeline of Georgia Milestone scores. Making observations from all enrolled students and subgroups the results are under the 80% goal of students achieving levels 2-4 in all content tests: English-Language Arts 75.9, Math 79, Social Studies 74, and Science 65. We made observations and considered 'whys and wonders' as a group.
- B. **Discussion Item 2:** 2019-2020 School Improvement Planning: We will continue to implement a balance literacy system and use AFFIRM to supplement math benchmark testing to guide instruction. For the future of Family Engagement we have utilize Seesaw an online student portfolio app to highlight student work and establish a consistence pathway of communication.

V. Information Items

- A. **Principal's Report** Leveling Impact is due to an under projected enrollment for this school year which approximately 42 students short. Leaving a budget adjustment from the District of \$81,601. This would leave Garden Hills losing one staff member, but we gained a special education position. The staff member with the least seniority in the EIP department would be leveled, but she will fulfill the special education position.
- B. **Information Item 2** The potential impact of Woodland Drive renovation will drive prices up and could affect 25 families by the end of the month and in the future 300 families. The District and the local school are monitoring and planning accordingly.
- C. **Information Item 3** Selection of Family Engagement Chair will occur next year.

VI. Announcements

Next Meeting is October 24, 2019 @ 4:00 in the media center will be revising our School Strategic Plan during this meeting.

VII. The GO Team has requested to see the data that compares the DLI cohort's data and how they are tracking in comparison to their peers locally and other DLI schools.
